

Frequently Asked Questions

How do we join the team or do a tryout?

Please have your potential new swimmer complete a tryout with Coach Zach to see if they are ready for the team and what group they would fit in. You can contact coach Zach at swimmingwolfe@yahoo.com

Does the team go to meets? How often?

The team goes to at least one USA Swimming meet a month and also several summer league meets during the summer months. Summer league meets take place on weekdays in the afternoons.

Do we have to get the USA Swimming membership?

Yes. Every swimmer has to be registered with USA Swimming with an annual or seasonal membership, either one is OK with us. Everyone needs to be registered so they can practice, attend meets and so our team is covered under their insurance policy.

How do we order a team deck coat/parka?

You can purchase a deck coat from any swimming store: Sports Basement, Big 5, Sports Authority, etc. You can also purchase a blue and yellow one from www.swimmerstuff.com and use the team login HDAC.

What time are practices?
